

Lucifer's Reign

“In the beginning God created the heaven and the earth.

And the earth was without form, and void; and darkness was upon the face of the deep. And the Spirit of God moved upon the face of the waters.” Genesis 1:1-2

I dreamed of the Ante-Chaotic Age, which is the Dispensation of Angels. This is the age when **angels ruled planets under God's authority.**

The earth's atmosphere was like the **breath of God**, being pure and tranquil.

An ideal temperature was earth's reminder of its excellence.

People of the earth wore brilliant color garments of bright oranges, yellows, and blues. Slander and gossip were unsolicited guests inside many homes, permitting respect to rule. Murder, fornication, hatred, etc., were rarities. It was almost a perfect world.

God's angels were given His laws, and they taught them to the populace.

Men of all nations lived in one accord eliminating segregation.

Compatibility and peace ruled in their hearts.

However, something evil was **brewing**.

Unfortunately, there were certain angels with negative attitudes against some of earth's inhabitants. Lucifer started to rule the earth with a pessimistic disposition.

This majestic angel was earth's protector and overseer. Lucifer had conceived a plan in his heart.

He was planting seeds of opposition against God in the hearts of men, angels, and other invisible creatures. Many concealed meetings were conducted over a period of decades with zealous participants with this ruling angel.

The seeds that were conceived in darkness were about to give birth in the light.

An invitation had been sent out throughout the universe from this angel. It stated of a spectacular announcement-taking place on this day. People, angels, and other beings were beginning to gather in huddles and whispering.

Evil words were being expressed, but not with everyone. Soon all would know of the gossip.

An anticipating crowd congregated in front of a prepared stage that seated Lucifer's throne.

Also, on the stage were many huge angels.

The Ruling Angels in the crowd wore distinguished crowns upon their heads.

Suddenly, a thunderous cheer detonated.

An exquisite angel standing more than seven feet tall had arrived. As he promenaded through the crowd, everyone tried to get a closer glance.
